Re: *Status of Selection Project – CIS Consolidated Headquarters – Architectural/Engineering Services*

CIS has completed its selection process regarding professional services for the above-named project. It has been our objective to select the most qualified firm to provide these services through this selection process. The committee received proposals from the following firms:

- FFA Architecture + Interiors
- Livermore Architecture & Engineering, Inc.
- Mackenzie
- Scott Edwards Architecture

It is our intention to enter into negotiations with the top-ranked firm, Mackenzie.

If you have any questions about the committee's decision, please contact Mike DiPasquale at [mdipasquale@planbconsult.net](mailto:mdipasquale@planbconsult.net) or (971) 284-1907 for additional details.

Sincerely,

The CIS Selection Committee
