Re: Status of Selection Project – CIS Collaboration Center – Construction Management/General Contractor Services

CIS has completed its selection process regarding professional services for the above named project. It has been our objective to select the most qualified firm to provide these services through this selection process. The committee received proposals from the following companies:

- Bremik Construction, Inc.
- Fortis Construction, Inc.
- Pence Construction LLC
- Triplett Wellman, Inc.
- Howard S. Wright, a Balfour Beatty Company
- P & C Construction Co

It is our intention to enter into negotiations with the top-ranked firm, Bremik Construction, Inc.

If you have any questions about the committee's decision, please contact Gerry Mulrooney at gmulrooney@planbconsult.net or (971) 256-9112 for additional details.

Sincerely,

The CIS Collaboration Center Selection Committee
