#### **A. BACKGROUND**

On January 18, 2019, CIS issued a Request for Proposals (RFP) for pharmacy benefit management services.

CIS is issuing this Addendum to the RFP to update primary contact information and one of the addresses for delivery of printed copies of proposals. This addendum was also intended to include responses to written questions received between January 25 and 30, 2019, however no additional questions were received after January 24, 2019.

This Addendum modifies the original RFP document only to the extent indicated. All other areas of the original RFP remain in effect and can only be modified in writing by CIS. This Addendum is made an integral part of the original RFP. It is the responsibility of all proposers to conform to this Addendum. Proposers who have already submitted proposals may either: 1. submit an addendum to their proposal; or 2. withdraw the original proposal and submit a new one. Any addendum or revised proposal must be submitted no later than the Proposal Due Date of **Noon (CST) on February 8, 2019**.
