I. INTRODUCTION

A. PURPOSE

The purpose of this Request for Proposals (RFP) is to solicit offers from qualified consultants to assist jails in Oregon with implementing medical and mental health services for inmates provided via phone or video conferencing services.

The consultant should have experience in providing or implementing phone/video medical and mental health services to jails, or similar related experience. Consulting services will be provided to jails located throughout Oregon.

The purpose of this program is to assist jails that do not have adequate medical and mental health care for inmates in obtaining these critical services. This is a voluntary program on the part of jails. CIS does not know how many jails will participate. The consultant will work with those that are interested in identifying a telephone/video health program that will work best for their jail.

B. BACKGROUND

CIS (Citycounty Insurance Services) is a public entity that provides insurance and risk management services to Oregon cities and counties and other public entities created by these cities and counties. Based in Salem, CIS was formed in 1981 by its parent organizations, the League of Oregon Cities and Association of Oregon Counties. The majority of cities and counties in Oregon participate in one or more CIS programs (property, liability, workers' compensation, and health benefits). These participating entities are considered CIS members.

CIS covers and provides risk management services to 30 county and municipal jails totaling approximately 2,200 beds.

II. SCOPE OF WORK

The successful consultant will assist jails in implementing comprehensive inmate medical and mental health services via phone and video conferencing.

The consultant must understand the local, state, and national landscape of telephonic/video medical and mental health care services. The consultant must also be aware of and comprehend the specific challenges faced by jails in implementing and providing 24/7 medical/mental health services.

Specific duties will include, but not be limited to, the following:

1. Meet with CIS public safety risk managers
2. Meet with interested sheriffs and jail staff (many will be rural)

3. Evaluate national or state providers of phone/video medical/mental health services and compile a list of potential providers for CIS members.
4. Identify and meet with local medical/mental health service providers to determine if local resources are available.
5. Provide action plans in collaboration with jail staff and jail medical and mental health staff/contractors.
6. Schedule services to meet the needs of the correctional facility.
7. Document medical/mental health consulting services provided.
8. Consult on acquisition and utilization of technology for audio-video communications for real-time, two-way interactive audio-video transmission that conforms to industry standards for confidentiality and integrity of information.
9. Provide sample plans for quality of care protocols, contingency plans for technical difficulties, and established quality of care standards.
10. Consult on the connectivity requirements for each correctional facility.
11. Promote the standards set forth in the National Commission on Correctional Health Care protocols.
12. Assure appropriate methods for interpreter services.

The FY 2019-20 budget for this contract is \$50,000.

D. PROPOSAL SUBMITTAL

1. General

Proposals must be received by **5:00 p.m. (PT) on February 12, 2020**. Any proposal received after this date and time will not be considered.

Delivery of proposals by the specified deadline is the sole responsibility of the Proposer. CIS will not be responsible for, nor accept as a valid excuse, any delay the method of delivery used by the Proposer except where it can be established that CIS was the sole cause of the late receipt.

2. Method of Submittal

The proposal must be submitted in electronic form in an email to the [Contact Person](#) above.

3. Evaluation Criteria

All proposals received in accordance with these RFP instructions will be evaluated to determine if they are complete and meet the requirements specified in this RFP. An award will be made to the Proposer whose offer is judged to be the most advantageous to CIS, though CIS expressly reserves the right to reject all proposals and make no award under this RFP.

The following criteria will be considered in evaluating the proposals:

- Quality of the proposal, including an expressed understanding of CIS' requirements;
- Qualifications;
- Experience, particularly with similar consulting projects;
- Sample materials
- Interviews, if conducted;
- References;
- Cost Schedule/Hourly Rate;
- Miscellaneous, including exceptions/deviations

IV. GENERAL INSTRUCTIONS

A. ORAL COMMUNICATIONS

Any oral communication by CIS' [Contact Person](#) or designee concerning this RFP is not binding and shall in no way modify the RFP or the obligations of CIS, a proposer or selected firm(s).

B. CHANGES TO RFP

If it is necessary to make material changes to the RFP, CIS will e-mail written RFP addenda to all recipients of record of the original RFP and post such addenda on CIS' website (www.cisoregon.org/About/RFS). Recipients of record are those parties to whom CIS directly sent a copy of the RFP. Responses to written questions received by the specified deadline will be incorporated in an RFP addendum.

It is the responsibility of the proposer to inquire of CIS as to any addenda issued. This may be done by checking CIS' website prior to the proposal submittal deadline. All addenda issued shall become part of the RFP.

C. EXCEPTIONS / DEVIATIONS

Any exceptions to or deviations from the requirements set forth in this RFP must be declared in a separate element of the submitted proposal under the heading **"Exceptions and Deviations"**.

D. AUTHORIZATION TO DO BUSINESS

Proposers must be authorized to do business in the State of Oregon and in the local jurisdiction in which they are located or where the work will be performed.

E. PRE-CONTRACTUAL EXPENSES

CIS shall not be liable for pre-contractual expenses incurred by a proposer in the preparation of its proposal and proposers shall not include any such expenses in their offers. Pre-contractual expenses are defined as expenses incurred by the proposer to: (1) prepare and submit its proposal to CIS; (2) negotiate with CIS on any matters related to this RFP; and (3) any other expenses incurred by a proposer prior to the date of award, if any.

Issuance of this RFP and receipt of proposals does not commit CIS to award a contract. CIS reserves the right to postpone the award for its own convenience, to accept or reject any or all proposals received in response to this RFP, to negotiate with more than one proposer simultaneously, or to cancel all or part of this RFP.

F. WITHDRAWAL; PROPOSAL IRREVOCABLE FOR 90 DAYS

A proposer may withdraw its proposal at any time prior to the submittal deadline by sending CIS a request in writing from the same person who signed the submitted proposal. As of the deadline for submittal, any proposal received by CIS and not withdrawn becomes an irrevocable offer available for acceptance by CIS immediately and for 90 days thereafter. Proposers are responsible for the accuracy of their proposals and no allowance will be made for errors or price increases that a proposer later alleges are retroactively applicable.

G. DISPOSITION OF PROPOSALS

All materials submitted in response to this RFP become the property of CIS, except for information identified by a proposer as being proprietary. A blanket statement that all contents of the proposal are proprietary will not be honored by CIS. Please note that as a public entity, CIS is subject to Oregon public records law, which may require the disclosure of information regarding proposals or a subsequent contract.

H. IMMATERIAL DEFECTS IN PROPOSAL

CIS may waive any immaterial deviation or defect in a proposal. CIS' waiver shall in no way modify the RFP documents or excuse a proposer from full compliance with the RFP if awarded the contract.

I. WRITTEN AGREEMENT

The proposer selected for contract award through this RFP shall be required to enter into a written agreement with CIS governing the provision of professional services to CIS, its members, and other eligible entities. The agreement will include pertinent terms and conditions set forth in this RFP and will reflect the proposer's offer or the outcome of contract negotiations. The agreement will also include, to the extent applicable, the provisions described in [Appendix A](#) and any terms or conditions added by addendum.

It is anticipated that the proposer may enter into separate agreements with subcontractors to fulfill the terms of this contract. CIS will not be a party to those separate agreements, nor in any fashion a guarantor or indemnitor of them.

J. TERM OF CONTRACT

If a contract is awarded through this RFP, it will be effective upon full execution of the agreement, which CIS expects to be in April 2020. No agreement with CIS shall be in effect until a contract has been approved by the CIS Executive Director or designee and has been signed by both parties.

K. NEWS RELEASES

News releases pertaining to any award resulting from this RFP may not be issued without the prior written approval of CIS.

V. PROPOSAL FORMAT AND CONTENT

The proposal submitted in response to this RFP must contain the information required in Sections A through E below. Brevity is preferred. For the questions in Sections B through D, please precede your answers with a restatement of the question. If you intend to use any subcontractors in fulfillment of services, information should be furnished for both your firm and the subcontractors where appropriate.

Submitting general marketing materials about your firm in lieu of providing specific answers to questions will not be acceptable. If you wish to submit marketing materials, you should do so as a separate addendum rather than as part of the formal response.

A. COVER LETTER

All proposals must include a cover letter addressed to the [Contact Person](#) in Section III, B above. At a minimum, the cover letter must contain the following:

- Identification of the proposer, including business name, address and telephone number.
- Name, title, address, telephone number, and e-mail address of a contact person during the period of proposal evaluation.
- Acknowledgment of RFP addenda received, if any.
- A statement that the proposal shall remain valid for a period of not fewer than **90 days** from the due date for proposals.
- Any exceptions to any specified criteria in this RFP.
- Identification of any information contained in the proposal which the proposer deems to be confidential or proprietary and wishes to be withheld from disclosure. A blanket statement that all contents of the proposal are confidential or proprietary will not be honored by CIS.
- Signature of a person authorized to bind the offering firm to the terms of the proposal.

B. QUALIFICATIONS, RELATED EXPERIENCE, AND REFERENCES

1. Furnish background information about your firm, including date of founding, legal form (i.e., sole proprietorship, partnership, LLC, corporation/state of incorporation), number and location of offices, principal lines of business, number of employees, days/hours of

operation and other pertinent data. Disclose any conditions (e.g., bankruptcy or other financial problems, pending litigation, planned office closures, impending merger) that may affect your ability to perform contractually. Certify that the firm is not debarred, suspended or otherwise declared ineligible to contract by any federal, state, or local public agency.

2. Describe your firm's experience and qualifications for providing consultative services to jails related to providing phone/video medical and mental health services.
3. Please provide references for whom you have provided these consultative services.
4. Provide at least two case studies of providing the services like those requested in the [Scope of Work](#). Describe the services you offered and how they were beneficial to the client.

C. STAFFING AND PROJECT ORGANIZATION

Identify the key personnel from your firm who would be assigned to this project and their specific roles in the project. Include a brief description of the number of years with your firm, qualifications, professional certifications, job functions, current caseload, and office location(s). Brief resumes (not more than two pages long) for all key personnel may be provided as an appendix, not in the body of the proposal.

D. WORK PLAN / TECHNICAL APPROACH

1. Describe in detail the information, documents, staff assistance, facilities or other resources you would require from CIS or its members to complete your work; declare any critical assumptions upon which your work plan is based. For example, specify what documents you will need from CIS in order to begin your work.
2. Describe succinctly how your firm would accomplish the work and satisfy CIS' objectives included in this RFP.
3. Explain how you would approach providing the services described in the [Scope of Work](#) in general as well as to specific CIS members. Include the length of the engagement and the areas you would cover.
4. Provide sample training materials that you would provide when working with a member.

E. COST SCHEDULE

The Proposer's cost schedule must be submitted with the proposal.

All costs are to be contained in this schedule. For each service element described in the Scope of Work, that the Proposer intends to provide, include either an hourly rate or fixed fee for the service, as appropriate. Include a description of any travel-related expenses that the Proposers expects to be reimbursed. Note that since CIS is a public entity, expenses may be subject to prior approval before they will be reimbursed.

This section must also include payment terms required for services rendered and a preferred schedule of billing dates.

The Proposer may include a separate list of optional services and corresponding hourly rates/fees in the cost schedule.

F. SAMPLE CONTRACT

Submit a sample of your standard agreement for services with your response. Required provisions for the agreement are described in [Section IV\(I\)](#) above and [Appendix A](#) below.

APPENDIX A – CIS CONTRACT CONSIDERATIONS

CIS contracts will be subject to the following standards. These are not exclusive and other contract clauses and provisions will obviously be applicable as well. However, these are areas respondents to CIS RFPs should be aware of in considering and preparing responses.

A. MANDATORY PROVISIONS:

1. Indemnity Provision. There shall be no provision requiring CIS to indemnify contractor for contractor's acts or omissions. Indemnity provisions should be mutual and reciprocal. Our standard indemnity clause is as follows:

Contractor agrees to hold harmless, indemnify, and defend CIS, and its officers and employee from and against all claims, suits, actions, losses, damages, liabilities, costs, and expenses of any nature resulting from, arising out of, or related to the acts or omissions of Contractor or its officers, employees, subcontractors, or agents in performance of services pursuant to this Contract. CIS agrees to hold harmless, indemnify, and defend Contractor and its officers and employees from and against all claims, suits, actions, losses, damages, liabilities, costs and expenses of any nature resulting from, arising out of, or related to the acts or omissions of CIS or its officers, employees, subcontractors, or agents pursuant to this Contract.

2. Independent Contractor Status. The following shall be included in CIS contracts:

Contractor shall perform the required services as an independent contractor and not as an "officer, employee, or agent" of CIS as those terms are used in ORS 30.260 through 30.300. Although CIS reserves the right to evaluate the quality of the service provided by Contractor, CIS will not control the means or manner of Contractor's performance.

3. Governing Law and Venue. CIS contracts shall subject to the laws of Oregon and venue for any disputes arising out of the contractual relationship. The contract shall include the following clause or the substantial equivalent:

This contract shall be governed by the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding between CIS and Contractor arising from or related to this contract shall be brought and conducted in the Circuit Court of Marion County for the State of Oregon; provided, however, if a claim must be brought in a federal forum, then it shall be brought in the U.S. District Court for the State of Oregon.

4. Insurance. Except under special circumstances, and with the approval and consent of CIS Executive Director, the following minimum insurance provisions shall be specified in the contract:

During the term of this Contract, Contractor shall maintain in force insurance coverage compliant with the requirements listed below:

- a. Workers' Compensation insurance in compliance with ORS Chapter 656, if Contractor employs "subject workers".
- b. Comprehensive General Liability insurance applicable to the services provided to CIS, with a combined single limit, or the equivalent, of not less than \$2,000,000 each occurrence for Bodily Injury, Personal Injury, and Property Damage, including contractual liability coverage applicable to the indemnity provided under this contract.
- c. Automobile Liability insurance applicable to the operation of Contractor's trucks or automobiles with a combined single limit of not less than \$1,000,000 each accident for Bodily Injury and Property Damage, including coverage for owned, non-owned, and hired vehicles, as applicable.
- d. Notice of Cancellation or Change. There shall be no cancellation, material change, reduction of limits without 30 days prior written notice from the Contractor or its insurer(s) to CIS.
- e. Certificates of Insurance. As evidence of the insurance coverages required by this contract, the Contractor shall provide acceptable insurance certificates to CIS as soon as practicable upon written request by CIS. If requested, complete copies of insurance policies, shall be provided to CIS.

B. OTHER CONTRACT CONSIDERATIONS:

1. Limitations on Liability and Warranties. Responses to RFPs should include a description of any limitations on liability to either CIS or purported third party liability limitations contractor would propose to include in a contract with CIS. These provisions are disfavored and will be a consideration in our review and comparison of RFP responses.
2. Termination. While termination provisions are negotiable, any provision that would not permit CIS to terminate the contract with a reasonable notice period, without further obligation, would be strongly disfavored and allowed only with the consent of the Executive Director. Our preferred termination provision is as follows:
 - a. This Contract may be terminated at any time by mutual written consent of the Parties.
 - b. CIS may, at its sole discretion, terminate this Contract, in whole or in part, upon 30 days' written notice to Contractor. In the event of such a termination,

CIS agrees to pay Contractor the fees and expenses reasonably incurred prior to such termination.

- c. CIS may terminate this Contract immediately upon notice to Contractor, or at such later date as CIS may establish in such notice, if Contractor commits any material breach or default of any covenant, warranty, obligation or agreement under this contract, or fails to perform in a timely manner the services under this contract, and such breach, default, or failure is not cured within 10 business days after delivery of CIS' notice, or such longer period as CIS may specify in such notice.
 - d. Contractor may terminate this Contract upon 10 days' written notice to CIS if CIS fails to pay Contractor pursuant to the terms of this Contract and CIS fails to cure within 30 days after receipt of Contractor's written notice, or such longer period as Contractor may specify in such notice.
3. Dispute Resolution. Mandatory arbitration provisions are disfavored. Our position is that alternative dispute resolution is encouraged, but arbitration should be undertaken only when both parties agree to it at the time of the dispute. If arbitration is undertaken, we would not consent to the rules and procedures of the American Arbitration Association. Other standard rules are available, or the parties can simply agree to rules and procedures as they deem appropriate. Provisions requiring mediation as a precedent to other legal action are acceptable.
